COUNTRY CONSTRUCTION LIMITED

COMPANY PROFILE
OCTOBER 2026

Experienced hands. Clear delivery.

Director-led construction, refurbishment and building maintenance across Kent, London and the South East.

Country Construction Limited (CCL) brings together the trades and management needed for defined work packages and complete refurbishments. Our management team has more than 20 years of construction experience, including projects within NHS and Ministry of Defence environments.

OUR CORE SERVICES

Refurbishment & fit-outs
Commercial and residential refurbishment, offices, internal alterations, kitchens and washrooms.

Building fabric & roofing
Roof repairs and replacement, rendering, windows and doors, damp-proofing and tanking.

Groundworks & external works
Drainage, foundations, concrete slabs, paving and landscaping.

Interiors & specialist finishes
Partitioning, plastering, decorating, flooring, hygiene cladding and fire door installation.

Repairs & planned maintenance
Building repairs, fabric improvements and coordinated trade packages.

HOW WE DELIVER

Director involvement
Michael Wilmot, Managing Director, stays directly involved in project delivery and communication.

Commercial coordination
Estimating, tender preparation, procurement, programme management, variations and subcontractor coordination.

Safety and quality
Site planning, inspections and quality checks, supported by an appointed Health & Safety Officer and external advice from Citation.

From brief to handover
Understand the scope, plan and price, manage the works and complete the agreed handover.

Clients and sectors
Commercial property, facilities management, public sector organisations and residential clients.
